

2018 Turkey Creek Ranch Rates

“The Lake Resort with a Dude Ranch Flavor” ...making vacation memories since 1959!

Driving Directions: These are the easiest ways to get to Turkey Creek, contrary to what your GPS may say. To avoid problems on your trip *please* follow these directions, unlike some unfortunate folks before you.

Reservation & Cancellation Policy: From Memorial Day to Labor Day preferred reservations are for 7 nights, from Saturday to Saturday. However, less than 7 night stays may be reserved if space allows. Casitas and motel rooms may be reserved for a minimum of 2 nights during the summer, however they are not available during the off-season. Should the unit you desire not be open the dates you prefer, please try to have alternate dates/units in mind. Once you have reserved, we allow 10 days for your deposit to arrive. Deposits are 2 night's stay. If your deposit doesn't arrive within the 10 days, and you have not made other arrangements, your reservation will be cancelled to make the unit available to others. If you must cancel, please do so at least 60 days in advance. All refunds are subject to a rebooking fee and no refund of deposit will be made if the cancellation is within 60 days of the reserved dates.

Payment: We accept cash, personal or bank checks, Visa, MasterCard, Discover and most debit cards. We are unable to accept credit or debit deposit payment by phone due to security concerns. Deposits must be made by personal check, bank check or money order.

Check-in/Check-out: Check-in time for any unit, any time of year, is 3:00pm. Check-out for any unit, any time of year, is 11:00am. We adhere to these times to make certain all units are ready at check-in time. If you arrive early, you may ask if your unit is ready, but be prepared to wait in case it isn't. *Always* check-in at the office before going to your unit as it may not be ready even if it is after 3:00pm as cleaning/repairs sometimes take more time than expected. Need a late check-out? Arrangements *must* be made before check-out time to allow the additional time.

Long-term stays: We do have requests for longer than 2 weeks. These requests will be considered on an individual basis with rates figured as follows: the first 2 weeks are at the usual rate for the time of year, the next 2 weeks will be at 60% of the usual rate. Stays of longer than 1 month will be considered based on availability, time of year, etc. All extras such as boats, trail rides, etc., will remain at their regular rate.

Outside Guests: Do you have family or friends staying elsewhere who would like to join you here for the day? If so, for \$10/day per person, they can be registered as your guests for the day and thus may use the pools, dock area, etc., however they cannot do trail rides.

Pets, ATVs, Etc.: We accept well-behaved pets. Standard pet protocol applies: Your pets *must* be leashed any time they leave your cabin; you *must* pick up after them, no matter where they “go”; they are *not* allowed in the office or rec rooms, pools or pool decks or barn area. Daily pet fee is \$15 per pet. We are unable to accept your personal horse or ATV due to insurance limitations.

Indoor Pool & Hot Tub: Opens mid to late March, closes mid to late October. Weather determines exact dates.

Outdoor Pool & Kiddie Pool: Open by Memorial Day, closes after Labor Day. Weather determines exact dates.

Trail Rides: Rides begin in March, weather permitting, and end November 1st. Rides are for our guests ages 8 and up. Free pony rides available for guests under age 8.

Free Stuff: There's a lot! Dock space, lake maps, pony rides, daily towel exchange, rec rooms, paddleboats, canoes, kayaks, life vests and more.
